TURNAROUND

Same-day selects — 15–20 finished images	within 24 h
Live Social Desk content (Packages Two & Three)	same day
Full session recordings, archived	5 business days
Full photo gallery, 300–450 images	7 business days
Event recap films and social cutdowns	10 business days
The Mission Film, 3–4 minutes	3 weeks

All timings run from the final shoot date. The Mission Film runs three weeks from the **final interview** rather than the final shoot day — if leadership prefer to sit down after the mission rather than during it, their availability sets that date, and we would rather wait for the right voices than deliver on time without them.
